

ODYSSEUS & ATHENA INSTITUTE

Challenging the Status Quo

ODYSSEUS & ATHENA is a non-profit organization dedicated to the preservation and appreciation of Greece's unique nature and cultural heritage.

We envision a world where environment is fostered and protected, cultural heritage is treasured, thus assuring a life in dignity and prosperity for all, now and in the future. Our dream of making the planet a better place motivates us every day to work towards creating sustainable solutions to the major challenges that will shape humanity's future relationship with the Earth.

Investing in the planet is our choice

Our manifesto

The most reliable way to predict the future is to create it. Sometimes all you need is a change in perspective

Our economic prosperity depends on the natural world.
It is the ultimate source if everything we make and use

Everyone can help build a greener Greece & Europe make a positive contribution to society with net-zero greenhouse gas emissions and economic growth

Investing in the PLANET is OUR CHOICE
LETS WORK TOGETHER

JOIN US and HELP build a sustainable FUTURE

#culture4development

Affiliated Innovative Initiatives

Odysseus and Athena Institute supports and enhances environmental & cultural initiatives worldwide. Under this scope, it closely collaborates with **Network of Cities with Lakes**, a european non-profit organization whose mission is to enhance active engagement and involvement of locals (individuals and authorities) and transnational cooperation in sustainable development issues, including environment, entrepreneurship, sports and culture. The collaboration focuses on shaping local policies on “smart and sustainable development” and improving quality of life in cities and regions through European and international financial tools.

Odysseus and Athena Institute also cooperates with **Amphictiony of Ancient Greek Cities**, an international cultural network that promotes Ancient Greek spirit and strengthens interaction among cities, organizations and people passionate with ancient Greek civilization’s achievements.

#culture4development

Our Mission

To sustainably preserve and promote greek nature and tangible & intangible heritage, as a source of learning, enriched cultural identity, and resilient economic development.

Our Vision

The most reliable way to predict the future is to create it. Sometimes all you need is a change in perspective.

Our vision, a more sustainable planet

ODYSSEUS & ATHENA Young

In accordance with the values, objectives, and visions of its mother association, Odysseus & Athena Young focuses on being the bridge between youth and culture; two worlds that now more than ever have a need for interaction.

Odysseus & Athena Young is a committee composed of young adults from all over the world, ranging from 18 to 30 years of age, who all share a passion for Greek history art and culture.
