

Location site

A volcano embraced by the Aegean, with distinctive dramatic landscapes, picturesque architecture, fascinating history, and rich local culture, this island-phenomenon in the Cyclades gives its visitors a mythical experience.

Santorini is the island immortalized by poets and painters, thanks to its celebrated light, multi-coloured cliffs and picture-perfect sunsets. On this island all senses are magnified, a product of its many contrasts: black earth against whitewashed homes clinging to the cliffside, or wild volcanic sculptures against sleek Cycladic lines.

TOURISM IS NOW CULTURE:

gain an appreciation of the past

12days workshop in Santorini

TOURISM IS NOW CULTURE

gain an appreciation of the past

Workshop Overview

This two-week workshop course involves a careful examination of the connection between culture and tourism. It introduces culture as an innovative tourism trend that offers a multidimensional tourist approach ranged from visiting cultural tangible cultural heritage to active visitor's engagement in intangible local cultural heritage activities such as rituals and festivities. Cultural tourism leads the destination in providing opportunity for authentic cultural exchange between locals and visitors.
